THE MONTGOMERY COUNTY FAMILY JUSTICE CENTER
FROM CARE TO COURT UNDER ONE ROOF FOR
VICTIMS OF DOMESTIC VIOLENCE AND THEIR CHILDREN

The Montgomery County Family Justice Center serving the Washington metropolitan area is one of only 50 in the world and is a model for comprehensive victim services and support, in which all services are located under one roof.

In its first year alone, this center has served more than 1,500 clients from over 100 countries. Without this life-changing "one stop" center and its lifeline of services, domestic violence victims would have to visit as many as 20 separate agencies.

Now everything from pro bono legal support and law enforcement to emergency services, counseling and help with obtaining protective orders is at 600 Jefferson Plaza, Suite 500, Rockville, Maryland, close to the Metro Red Line's Rockville station, 240-773-0444.

Domestic violence cuts across all financial, cultural and religious lines. Help us raise awareness and funds for hurting families.
