

MCFJC FOUNDATION'S LIFELINE CAMPAIGN

“Your opportunity to provide a lifeline of hope to those most in need”

Oftentimes, people fleeing an abusive relationship do so with just the clothes on their backs and their children in tow. They have little or no access to funds to provide for their most basic needs. Children may have left behind a favorite book or toy during a particularly vulnerable time.

Here's how you can help! More than 5,000 clients have come through the doors of the Family Justice Center since it first opened in May 2009. Below are opportunities for you to support the women, children and families who come to the Family Justice Center. Your support further helps to enable them along their journey from being a victim to becoming a survivor! Please join our “Lifeline Campaign” and provide a lifeline of hope to those most in need. Your support is so appreciated!
