**RISE UP!**

No more silence against domestic violence.

Rockville Hilton

# ACT NOW!

- Rampant physical, sexual, and emotional abuse—especially against women and across all industries—has been making headlines across the nation and generating a big picture proactive response.
- Now more than ever, the Family Justice Center Foundation must vigorously support the Center's ability to handle its ever-increasing caseload in helping victims and their families become survivors.
- Help us help those who are working to break the cycle of abuse and become independent through the Center's complete wraparound services—from providing emergency shelter, food, transportation and securing initial protective orders to Foundation-funded adjunct programs including legal assistance, financial literacy, job training, and children's counseling.
- Since it's opening in 2009, the Center has served over 10,000 clients at 600 Jefferson Plaza, 5<sup>th</sup> Floor, Rockville, Maryland.

*If you or anyone you know is experiencing domestic or relationship violence, call The Montgomery County Family Justice Center at 240-773-0444.*
